Notes & Details

Our Commercial Potato Peeler and Washer boasts a durable construction with seam-welded, polished stainless steel, ensuring impressive durability while being sanitary, easy to clean, rust-free, and resistant to deformation. Featuring a spacious interior, it can hold up to 27 lbs of unpeeled potatoes, capable of peeling up to 500 lbs per hour, making it a perfect solution for high-volume kitchens. The adjustable timer includes a 4-minute synchronous mechanism, allowing settings from 12 seconds up to 5 minutes. Peeling times range between just 1 and 3 minutes, depending on the size and shape of the potatoes. With a powerful abrasive disc, the heavy-duty, commercial-grade design efficiently skins all types of potatoes, driven by a robust 950W motor for optimal performance. This versatile machine not only peels but also washes potato skins and other vegetable peels, making it an essential tool for any commercial kitchen focused on maximizing efficiency!
